EEASA 2017 Conference: Call for Exhibitions

The EEASA Conference hereby announces a call for exhibitions. The deadline for application of stalls is 08 September 2017. There will be exhibition space during the conference for delegates who wish to exhibit or market their products and for community members working on the diverse environmental-oriented livelihood projects.

The information that you will supply to the Local Organizing Committee is crucial in finalising the layout for the EEASA 2017 Exhibition space. It will also allow us to cater for your needs accordingly. When reserving the stall, kindly provide the following information:

Name of exhibitor (Company / Institution): _____

- Exhibition category (please **tick** (✓) the relevant one)
- Stakeholders showing environmental practices and careers in the environmental sector
 - Schools practicing environmental education
 - Others (Please Specify)

Please note:

- Exhibition space is limited to 3m x 3m per exhibitor.
- Exhibitors are limited to 2 people per stall.
- The space will be open for set-up from 07h00-17h00 Monday 18 until Thursday 21 September 2017 for exhibitions.
- The exhibitor is responsible for organising meals and refreshments for staff at their stalls if they have not registered for the EEASA 2017 conference.
- All local/national exhibitors should provide own tables, chairs, panels etc. The regional and international exhibitors will be provided with tables and chairs ONLY.

Should you have any queries or require additional information, please contact Keneilwe Mathaba at kenimathaba@gmail.com, and Lesego Ratsie at lesegoratsie@gmail.com or +267 6801237.
